

9th Annual Wildlife Baby Shower

Alberta is home to an amazing array of wildlife species that flock to the province each spring and many who stay year-round. Spring is here and with it comes the arrival of wildlife baby season!

On any given day, from May to August, we will have 200-300 individual animals in our care, ranging from a moose calf that was orphaned after her mother was hit by a car, to a clutch of mountain bluebirds that were rescued after their nest was attacked. Last year, we provided care to 151 different wildlife species and we need your help to provide care to wildlife in need.

1,172 animals were cared for at our wildlife hospital from May 1st to August 31st in 2019. That's over a thousand animals who received help because of you! Your support is crucial to our ability to care for wildlife, and each year the demand for our services increases.

Examples of costs during our busy season:

- Food for 1 bear cub: \$600/month.
- Fresh produce for patients: \$450/week.
- Milk replacer for baby mammals: \$3,150/year.
- 50,000 mealworms to feed nestling and fledgling songbirds: \$500/week.

How You Can Help...

- Donate today! Either by completing and returning this insert, or by donating online at aiwc.ca
- Call us at 403-946-2361 to make a donation.
- Donate items from our Wish List (see page 6).
- Follow along on our social media throughout the month of May and help share facts about the natural behaviours of baby wild animals.

I would like to give...

Cash Donation: \$ _____

**Tax receipts are issued for donations of \$15 or more (excluding merchandise and memberships)*

Alberta Institute for Wildlife Conservation (AIWC) plans to raise \$500,000 this year through fundraising campaigns and initiatives. It will cost the organization approximately \$25,000 to raise this amount. Funds raised will go to support AIWC’s mission. For further information, please contact Holly Lillie at 403-946-2361.
