ABOUT

OUR MISSION

The Alberta Institute for Wildlife Conservation (AIWC) is committed to the **rescue, rehabilitation, and release** of injured and orphaned wildlife. We provide expert advice and education that fosters an appreciation of wildlife.

As a trusted Canadian-registered charity, we are permitted by federal and provincial governments to care for wildlife in need. We are also an accredited veterinary hospital through the Alberta Veterinary Medical Association, which ensures that our wildlife patients receive the highest standards of care. Your donation to AIWC makes a tangible difference in the lives of the animals that we help. Thank you for supporting our mission.

BEQUEST GIVING

Your love of wildlife can make a difference for generations to come.

Our commitment to rescuing, rehabilitating, and releasing injured and orphaned wildlife has been an incredibly rewarding and challenging mission. Since 1993, we have helped over 36,000 patients and continue to see a growth in demand for our services each year. Our hope is to inspire our community to coexist peacefully with wildlife by promoting education and awareness. Additionally, we recognize the integral role that wildlife has in the ecosystem and strive to ensure their continued appreciation and admiration.

Legacy giving, including **charitable bequests**, provides an opportunity to give back to your community, create a lasting impact that you and your loved ones can be proud of and offer potential tax benefits.

Your contribution will be crucial in ensuring a permanent and fundamental difference is made for wildlife in Alberta.
